Proposal 1: First Round State Matchups

Should the KSHSAA change the state basketball, softball, and baseball brackets format for Classes 4A, 5A and 6A to an east/west cross bracket matchups for the first round of the 8-team state tournament?

Class	Yes	Yes%	No	No%	
6A	15	45.5%	18	54.5%	
5A	20	69.0%	9	31.0%	
4A	20	76.9%	6	23.1%	
TOTAL	55	62.5%	33	37.5%	FAIL

***NOTE: Still will take this proposal through to KSHSAA because two of three classes had sound majority passing.**

Proposal 5: Concerning Wrestling Bracket Format

Should the KSHSAA change the format for 5A/6A State Wrestling quarterfinals matchup to a seed/geographic match up as noted below

Class	Yes	Yes%	No	No%

TOTAL	62	96.9%	2	3.1%	PASS

Explanation:

State Tournament Brackets for Classes that have Super Regionals (5A and 6A) should follow this format. TOP QUARTER - East 1st vs. West 8th; East 6th vs. West 3rd. SECOND QUARTER - East 4th vs. West 5th; East 7th vs. West 2nd. **The Bottom Half of the Bracket would be the same place just switch East and West.

Proposal 7: Post-season football alignment for 1A, 8-Man Division I and 8 Man Division II

Should the KSHSAA change their policy/practice/procedure of post-season football alignment for 1A, 8-Man Division I, and 8-Man Division II?

Class	Yes	Yes%	No	No%	
TOTAL	21	75.0%	7	25.0%	PASS

Proposed Change:

The new playoff format would place teams into first round pools of four (resembling the 3-2-1A State Wrestling format). The first-round pools would feature a #1, #2, #3, and #4 seed from four different districts. For example, District 5 #1 would host District 6 #4 and District 7 #2 would host District 8 #3. This format will bring new cross-district matchups into the second round of the playoffs and push any potential district rematches back to the third round (Sectionals).

Should The KSHSAA adopt Unified Sports Bowling as a fully endorsed KSHSAA sport, consistent with KSHSAA/NFHS rules regarding Unified sports.
