The Eagles enter the home stretch of the regular season by playing three games in five days, starting with a road game Friday at Salina South. Maize is tied for first in the league and likely will need to win out to share the AVCTL I title. The Eagles can clinch the top seed in their sub-state with a victory. Monday's game is a make-up from a game lost to snow earlier this month.

## wrestling

### Last week's results

Maize 37, Campus 33

### Upcoming

Regional, Saturday at Wichita Northwest

The wrestlers head into the regionals Saturday with hopes of qualifying as many as 10 squad members for the state meet. But it will be tough. "Our regional is one of the toughest, if not the toughest," coach Mike Schauer said. Schauer predicts that one point will decide many of the matches. "I feel like we are ready, and I am confident that the boys wrestle hard," he said.

## swimming

### Last week's results

First place at AVCTL meet

### Upcoming

FRIDAY-SATURDAY: State meet at Topeka

The Eagles will head to state Friday, taking eight swimmers along for the ride. Kyle Allison, Preston Barley, Chris Clemons, Ryan Kuhl, Colin Olson, Harrison Shively and Brett Young will compete in individual events and as members of relay teams. Chris White will also travel with the Eagles as an alternate on the relay squads. The Eagles are the defending champs in the 200 freestyle relay and finished second in the 400 relay.

## in the spotlight

### CHRIS CLEMONS JR. SWIMMING

Clemons will swim in the 200 individual medley and the 100 butterfly at state. He's ranked in the top five in Class 6A in both events. He also will be a key participant on two relay squads. He set a league record in the 100 fly at the league meet last week.

### PRESTON BARLEY SO. SWIMMING

Barley will compete in two individual events at the state meet Friday and Saturday. He is ranked third in both of his events, the 200 freestyle and 100 freestyle. He also will be a key participant on two relay squads as well. He is coming an outstanding league meet, with two individual and two relay titles.

## bowling

### Upcoming

FRIDAY: AVCTL meet at Seneca Bowl, noon  
THURSDAY: Regional meet at West Acres, boys at 10 a.m. and girls at 1 p.m.

The bowlers have a big week ahead of them, with their league meet Friday followed by the regional meet on Feb. 27. Coach Dave Walker says the girls have a good shot at advancing to state if they bowl like they have all season. "The guys are going to have to bowl their best," he said. The top three teams and six remaining individual bowlers qualify for the state meet.
